Welcome!

First off, it's important to know that the affiliates who are making the most sales are **focusing their promotional efforts in multiple directions**, using free, paid AND manual advertising. Our job is to channel our promotional efforts in directions that other affiliates might be missing.

We cannot rely on one marketing method alone to support our business. **Each advertising method should be one of several** that supports our overall marketing strategy.

> For the purpose of this ebook, we'll be focusing on just one method - **autopilot traffic**.

Since there is no single set and forget traffic source that will supply all the traffic we need, we're going to put together several autopilot traffic sources into a **cohesive working system** that continually supplies us with automatic page views, downline members and profits, almost hands free.

As you scroll down and see each of the steps you'll be taking to put this system together, you might feel a bit OVERWHELMED.

Don't get ahead of yourself here. The application of each single step is simple and it will probably take you less time than you think to get them all handled.

Just start at the beginning, and complete each step as a task. If that's plenty for you for the moment, close the ebook and come back later for the next step.

In short order, you'll have them all completed, and in the next week after that, you'll notice some **MOMENTUM** kicking in, getting you MORE **page views**, more **downline members** and more **sales**!

> NOTE: This is a no-frills instruction manual. I don't spend much time describing each source I instruct you to visit and join free. The websites themselves tell you everything you need to know... just don't spend too much time on their sales pages. It's best in this set up process if you **get in and get out** and move onto the next step as quickly as possible.

START HERE

1. Open a notepad or other text file on your computer and save it as Autopilot.txt

You'll be saving all your login details, usernames, passwords, affiliate links, etc. into this file along the way, so keep it open and ready.... AND **RECORD YOUR DETAILS AT EACH STEP**.

If you are already a member of any of our sources, there is no need to join again. Just follow the instructions later on in the ebook on what to do with your current membership.

2.a. CLICK HERE to join a simple, but extremely powerful little money maker.

Potential earnings here are unlimited.

Plus... you can build your money lines here almost effortlessly simply by giving away your rebranded copy of this ebook!

3. **Join PS Click Power**

4. **Join 1TAE**

5. **Join 1ProfitRing**

6. **Join Buckets of Banners**

7. **Join TY Page Connection**

8. You may have noticed that each one of the above sources requires you to earn credits in order to show your own ads. No Worries! 😎 I've got you covered.

Now that you've joined all 5 with the SAME USERNAME, you can **add that username to the end of this credit-earning link** -

http://SimpleTeamLeverage.com/credits.php?id=

... and earn credits on all 5 of them with each page display. You'll understand more how we're going to utilize this page - effortlessly earning you credits - shortly.

8.a. For now, click that link, then go highlight and copy the link showing in your browser.

8.d. Highlight and copy your new credit-earning link and paste it into a new browser window to test it and make sure it's working properly.

9. To earn **effortless page views** for your new link, you'll be joining **Traffic Ad Bar** next.

It will immediately take you through adding your website to their system for FREE TRAFFIC. Just follow along, pasting in your credit-earning link when called for (make sure your username is at the end of it!).

As an example, here is the ad I used - please change yours so that we're not all using the same ad:

Autopilot Traffic Sources

When your credit-earning link has been turned into a **Traffic Ad Bar** link, highlight/copy/paste your new shortened URL into your Autopilot.txt file.

If you miss grabbing your link once it's made, you can always find it again on the dashboard. Just scroll down to locate it.

By promoting your new **credit-earning Traffic Ad Bar link**, you'll be earning credits in 6 autopilot traffic sources - PS Click Power, 1TAE, 1ProfitRing, TY Page Connection, Buckets of Banners and Traffic Ad Bar.

So our next steps are to GET EXPOSURE to that credit-earning Traffic Ad Bar link daily...

**Here's where you'll find a bit of <u>hands-on</u> activation, <u>but not much</u>, I promise!

<mark>IMPORTANT!!!</mark> The next FIVE steps (#10 through #14) are **CRUCIAL** to Earning You **Traffic Credits** to the <u>Ads and Links</u> You'll Be Inserting Later Into Our Foundational <u>6 Autopilot Traffic Sources</u> above.

You Will NOT Get Much in the Way of Followers or Optins by Promoting **Anything** Other Than Your **Credit-Earning Traffic Ad Bar Link** in These Next 5 Steps. So **FOR BEST RESULTS**, Follow the Steps Below AS THEY ARE WRITTEN.

10. **Join Link Collider Here**

After you've verified your email address, click the **Submit A Website** and choose **Personal/Business Website**.

Paste in your new **credit-earning Traffic Ad Bar link**.

I used the same ad as I used in #9 above for the title and description.

Move the bar to 15 in the token box. Submit your site by clicking the button.

On the next page, under What would you like to receive? UNtick all the traffic choices EXCEPT **Facebook Shares**, **Twitter Tweets** and **Autosurf (Web Traffic)** just as you see in the image below.

Feel free to play with the number of tokens you offer per activity, as well as the activities you want to exchange your earned tokens for. As you get to know your Link Collider, you'll probably find ways to boost the number of times your page is displayed per day there.

Next, hover your mouse over the Collect Tokens tab at the top of the page, and choose **Autosurf** to begin collecting tokens.

When the autosurf has collected tokens from 200 sites, it will warn you to choose a different activity to earn tokens, so at this point, you can close the browser window.

**Then, simply login to your Link Collider account every morning, collect tokens by choosing autosurf, and leave your browser open awhile earning tokens.

Your free Link Collider account is automatically set to spend up to 2000 tokens to get visits to your new **credit-earning Traffic Ad Bar link**.

11. Join List Surfing Here

Login. In the left column, click ADS and choose My Sites.

Click the Add New Site link, then add your new **credit-earning Traffic Ad Bar link** and click the Add New Site button.

Next (and then <u>only once per month</u>), surf 50 pages and read 5 mails to get **UNLIMITED rotation of your site in the surf area without using any credits!

If you wish, you can use your earned credits to receive additional exposure by sending an email ad. That's double the exposure for your time ONCE PER MONTH.

12. Join Just Click Six Here

Click each of the six sites listed one at a time and view for 20 seconds. Fill out the form and add your new **credit-earning Traffic Ad Bar link**.

*I don't recommend any upgrades here.

Now, all of us following this guide will be helping you get more and more credits (gradually climbing to 1000s of them!) to your 6 autopilot traffic sources, down 6 levels deep, totally free AND hands-free!

13. Join TrafficG Here

Login. In the left column, click on Add Site.

Fill out the form similarly as I did (pictured below). Change the ad up a bit, and of course insert YOUR **credit-earning Traffic Ad Bar link** instead of mine.

When you're done, click the Save Settings button.

Next, in the left column, click StartPage Exchange.

Scroll down to view SuperStart Service and your SuperStart homepage link.

Highlight and copy your SuperStart homepage link, then paste it into your Autopilot.txt. You're going to need it for the next step...

14. Automatic Page Cycler Refresher will automatic REFRESH your SuperStart homepage link all day and all night earning you credits

... which you will then use to get TRAFFIC to your **credit-earning Traffic Ad Bar link** that you just submitted there at TrafficG.

Click Here to Open Automatic Page Cycler Refresher

Paste your SuperStart homepage link into slot 1.

Choose the number of seconds you want between each refresh, between **130** and **300**. Always keep it higher than 130 or TrafficG will stop allowing you to earn credits from your SuperStart homepage.

Change this number and relaunch every now and then when you're on the computer during the day, and most certainly once each day. (See image next page.)

Choose a Number Between 130 to 300

** Click the Launch button and keep the Automatic Page Cycler Refresher page open so it's available to continue refreshing the SuperStart homepage it just opened.

To earn the most credits, run it as often as you can in the background while you're working on other things, and even overnight.

** Every morning, login to your TrafficG, scroll down to find your **credit-earning Traffic Ad Bar link** that you submitted there, and add your earned credits to it.

15. Login to your **PS Click Power**.

In the left column, click on PS Click Stream.

Paste in your new **credit-earning Traffic Ad Bar link** in one or two of the open fields and click Submit.

Leave the other fields blank for now. You'll be coming back to this later to promote your own version of this Autopilot Traffic and Profits ebook.

16. **IF** you bought an upgrade in **Thankyou (TY) Page Connection**, you may have the ability to enter a link for an exit pop up, depending on what upgrade you bought.

If you did upgrade, login to your **TY Page Connection** and click on Edit My Details in the left column.

Scroll down and paste your new **credit-earning Traffic Ad Bar link** in the Exit Pop URL field, then click the update button.

Now, whenever you send someone to join **TY Page Connection**, upon exiting your link will pop up earning you credits on all 6 autopilot traffic sources on the page.

17. OPTIONAL - If you ever want to earn additional credits to your **credit-earning Traffic Ad Bar link**, you can get a truckload of very very cheap traffic to that page here - http://www.trafficshark.net

These types of cheap traffic sites are not usually great at pulling in subscribers to your list or making sales, but they're good at getting your **credit-earning Traffic Ad Bar link** exposure, which is what will earn you credits at your 6 main traffic generators.

NOTE: I've never tried the guaranteed sign ups at that site, but the way that service is worded there, it appears that they are incentivizing people to sign up at your site. **These people most likely have no interest in your content**, so I'd advise you not to waste any money there on sign ups.

Your Autopilot Traffic System is Almost Complete.
You are now accumulating Credits automatically in your 6 traffic generators.

Now it's time to Create Your Money Magnet!

Every Marketer NEEDS **Traffic**.

And when you add words like **FREE** and **AUTOPILOT** to describe that **Traffic**, it's easy to give away.

But when you give Marketers the ability to make a **VERY SIZABLE Income** with it, it can quickly turn into a **Frenzy of Sign Ups**!
